

AUCTION COMMITTEE

The Auction committee is active from February until the Auction event in May. It's one of the most exciting committees to become involved raising money for Lydia's House, our featured charity. As a member of the Auction Committee, you will be involved in prospecting and gathering live and silent auction items for the event. You can also help with the mailing of letters and donation forms to members, past donors, and future participants to request their support for a successful 2010 auction. As the event draws near, we can use your talents and skills to help design the layout of the auction, prepare bid sheets, and event preparation.

As a member of this committee, you become involved in the community and help raise funds for an amazing organization that has supported both women and children in the St. Louis area for many years! Contact Rhonda at 314-307-5472 to participate on the committee.

Chair: [Rhonda Kleinlein](#)
